

QUICK PLAY LP

CONVERSION TURNTABLE WITH RCA OUTPUTS

Analog quality, digital convenience. The best of both worlds.

With QUICK PLAY LP, just one cable gets the job done as you turn your record collection into MP3s. Simply connect QUICK PLAY LP to your Mac or PC with the included USB cable, and you're ready to transfer. No power adapter needed!

ION's exclusive EZ Converter software guides you through the easy-to-follow steps as you transform your LP records into MP3s on your computer. You can listen, add them to your iPod or other MP3 player, and record them on a CD!

Capture the music from your LPs digitally so you can enjoy your music at home or on the go.

FEATURES

- Classic turntable design that looks great in any room of the house
- Listen to records through your home stereo system using the RCA audio outputs
- Receives power and transfers music to a computer using the included USB cable
- Create MP3s from your records easily using the included EZ Converter software
